

GENERAL INFORMATION

To help you
Prepare for your Hunt

VISA REQUIREMENTS / INOCULATIONS

- No visa is required for entry into Namibia. You will need only passport must be valid from 6 months.
- No inoculations are required. We advise clients to see it that their tetanus shots are up to date.
- Our hunting farm fall outside high risk malaria area, but the decisions is yours.
- The company shall not be held liable for any cases of malaria.
- We carry first aid equipment, so you do not need to bring any. Obviously, should you require special medication, bring that with you.
- Make sure you have ample sun lotion with you.

RIFLE IMPORTS

- Namibia is one of the most hunter friendly countries in Africa. You are allowed to bring as many rifles as you wish, with an allowance of a maximum of 80 rounds of ammo per rifle. If you do bring a shotgun, don't hassle with ammo we supply plenty.
- A rifle in the 300 magnum range (300 WinMag, 338, etch) will be plenty for everything up to Eland.
- You will be required to fill out a Rifle Import / Export Application, which must be handed to the police at the airport.
- You can hire the rifle for €/U\$ 50, 00 per day.

CLOTHING REQUIREMENTS

- Most important is a pair of well broken in, ankle length boots. Bring a broad rimmed hat to protect neck and ears against the sun.
- Bring something warm for the evenings and early mornings, especially during our winter (June, July, and August). It gets cold at night!
- We prefer our clients to hunt in long pants and long sleeved shirts. Both as sun protection and general protection.
- Most of our bushes have thorns!
- Make sure you pack no bright colours – khaki and / or blue, green, etc will be best. Although we use camo in the bush, public use is reserved for police and military.
- Above all, travel light! We have daily laundry service in all our camps, which means yesterday's clothes will be available tomorrow. Three changes of clothes will do it.
- Our power supply is 220Volts. If you will require re-charging, make sure you bring an inverters and for any other electrical devices.
